1. Welcome to Digital Business Services

Welcome to the Digital Business Services commercial partner network! This guide is designed to support you at every stage of your collaboration with us: discovering our products, the sales process, the tools available to you, and best practices to maximize your commission income.

• 1.1 Who we are

Digital Business Services (Digital Business Services) is a company specialized in the digital transformation of businesses, institutions and organizations across Africa. We offer reliable, modern, results-driven solutions to help our clients improve their performance.

Our expertise is built around seven complementary hubs: Digital Transformation, Digital Marketing, Business Intelligence, Data Analytics, Web Development, Telecom & Mobile Money, and Project Management — presented in detail in section 3 of this guide.

Find all our services and case studies on our official website: dbs-africa.org.

Our mission: make financial, insurance and administrative services accessible to everyone, everywhere in Africa, through digital technology.

• 1.2 Why become a partner?

- Innovative products and a recognized brand, backed by a strong pan-African financial group.
- Attractive, transparent compensation, paid every month (see the Official Commission Schedule).
- Comprehensive support: training, digital tools, ready-to-use marketing materials.
- Flexible activity, carried out fully independently, with no mandatory initial investment.
- A real impact on financial inclusion and access to essential services in your community.

2. The Partner Program

• 2.1 Partner categories

CATEGORY	TYPICAL PROFILE	COMMITMENT
Commercial Agent	Individual wishing to carry out a regular commercial activity	Agreed monthly targets, mandatory training
Business Referrer	Networked professional (insurer, accountant, local notable...) referring clients occasionally	No minimum volume
Authorized Distributor	Organization with its own sales force	Contracted minimum volume, dedicated team

• 2.2 Onboarding journey

- 1 Application:** fill in the Partner Registration Form and submit your supporting documents.
- 2 Validation:** our Partnerships team reviews your application within 5 business days.
- 3 Signature:** signing of the Commercial Partnership Agreement and its appendices.
- 4 Training:** initial training program (products, procedures, tools).
- 5 Activation:** access to the Partner Portal and start of your commercial activity.

3. Our services

• 3.1 Digital Transformation

We help organizations modernize their processes and adopt high-performing digital solutions.

- Digital audit and process analysis
- Task and workflow automation
- Business operations optimization

• 3.2 Digital Marketing

We help organizations grow their online visibility, generate leads and improve their digital communication.

- Social media management and community management
- Facebook Ads and Google Ads campaigns
- SEO, content creation and performance analysis

• 3.3 Business Intelligence

We turn your data into clear dashboards to support decision-making.

- Power BI dashboards
- Automated reporting
- KPI and key indicator tracking

• 3.4 Data Analytics

We analyze your data to identify trends, anomalies, risks and opportunities.

- Advanced SQL and Excel analysis
- Data quality control
- Visualization and recommendations

• 3.5 Web Development

We build modern, secure websites, platforms and applications tailored to our clients' needs.

- Professional showcase websites
- React and Node.js applications
- WordPress and API solutions

• 3.6 Telecom & Mobile Money

We bring specialized expertise in IN, VAS, MFS and Mobile Money environments.

- Telecom reporting and reconciliation
- VAS and MFS service analysis
- Operational performance monitoring

• 3.7 Project Management

We support the planning, coordination, monitoring and governance of digital projects.

- PMO and project governance
- Risk, timeline and deliverable tracking
- Executive reporting and coordination

As a partner, you can offer all seven of these service hubs to your prospects. The applicable commission rates for each are listed in the Official Commission Schedule.

4. Sales and subscription process

• 4.1 Key steps of a subscription

- Identify the prospect's need and present the appropriate offer using official materials.
- Identity verification (KYC): collect identity documents and required information via the partner app.
- Enter the subscription on the Partner Portal or the dedicated mobile app.
- Confirm the subscription and send the contractual documents to the client.
- After-sales follow-up: the Partner remains the client's primary contact for any simple question.

• 4.2 Compliance and best practices

- Never guarantee a refund, rate or benefit not provided for in the official terms and conditions.
- Always verify the subscriber's identity in accordance with KYC/AML-CFT procedures.
- Never collect cash funds on behalf of Digital Business Services without express authorization.
- Immediately report any attempted fraud or any anomaly observed.

5. Tools and resources available

TOOL	DESCRIPTION
Partner Portal	Secure online space to track your subscriptions, commissions and payments in real time.
Partner mobile app	Field app to enter subscriptions and present products, even offline.
Official marketing kit	Flyers, sales pitches, social media visuals and product presentation videos.
Online training center	Short e-learning modules on products, compliance and sales techniques.
Partner Support	Dedicated line (phone / WhatsApp / e-mail) for any operational question.

6. Commissions and payment

Detailed commission rates by product and partner category are listed in the Official Commission Schedule, a document attached to your Agreement and permanently available on the Partner Portal.

- Commissions are calculated monthly, closed on the last business day of the month.
- Payment within 30 days by bank transfer or mobile money.
- Real-time tracking of your earned and pending commissions via the Partner Portal.
- A Commission Tracking Sheet (Excel) is also provided for your own activity management.

7. Training and support

- Mandatory initial training before any sales activity (in-person, remote or e-learning).
- Refresher sessions when new products launch.
- Field support from your Digital Business Services regional representative.
- Recognition program for top-performing partners (quarterly rankings, performance bonuses).

8. Partner code of conduct

As an ambassador of the Digital Business Services brand, every partner commits to:

- Act with integrity, transparency and respect towards clients and prospects.
- Provide accurate and understandable information about the products offered.
- Respect the confidentiality of client data.
- Never disparage competitors or use misleading sales practices.
- Preserve the Digital Business Services brand image in all communications.

9. Frequently asked questions (FAQ)

Do I need to set up a company to become a partner?

No, you can start as an individual (Commercial Agent or Business Referrer category). Setting up a legal entity becomes relevant for the Authorized Distributor category.

When do I get paid?

Your commissions are calculated monthly and paid within 30 days following the end of the month, in accordance with Article 8 of your Commercial Partnership Agreement.

Can I sell a competitor's products at the same time?

No, unless you have prior written agreement from Digital Business Services, in accordance with the non-compete clause of your Agreement.

What should I do if a client makes a complaint?

Contact Partner Support immediately — they will take over handling the complaint as quickly as possible.
